**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is what this country is founded on. It's important to our democracy for our government to foster business and not hinder it by letting big business monopolies corner the majority of the market. Prices go up and customers suffer the consequences. Small internet companies provide a local service option for their customers. Please don't eliminate this option for us.

Thank you
